Perfect City Press, United Kingdom, 2014. Paperback. Condition: New. Anna Hurl (illustrator). Language: English. Brand new Book. Once business gets personal, there's no escape. Andrew Aycliffe's job interview was hell. This is the story of his revenge. It's also the tale of Jed Gardner, an IT genius who prefers computers, music and trains to human beings - that is, until he meets Melissa Stevens. But she's about to marry boring Boris Brooks. Three love triangles, two murders and a fraud case later, is anyone left to live happily ever after? With jaw-dropping twists and a surprise ending, this very British thriller grips you by the throat and won't let go. This is what readers are saying: "A cracking read. very cleverly plotted" "a real page turner" "an intelligently written, engaging novel".
